MnSOD TO THE CHLOROPLAST :

The petition to revive under 37 CFR 1.137(b) filed 12 October 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the abandonment and the entire delay from 9 June 2005, until the filing of this petition and the U.S. National Stage application was unintentional" and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has now provided a payment of the full U.S. Basic National fee. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America. Further review of the filed papers reveals that all of the requirements of 35 U.S.C. 371 for entry into the national stage in the United States have been satisfied.

The application has an international filing date of 09 December 2002 under 35 U.S.C. 363 and will be given a date of **12 October 2005** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).

This application is being returned to the United States Designated/Elected Office (DO/EO/US) for treatment in accordance with this decision.
